Web/Graphic Design Skills

Adobe Creative Suite, Wordpress (with Thrive Theme), LongTail Pro, Semrush, Moz Pro, Buffer, HTML, CSS, JavaScript, Adobe Dreamweaver, iMovie, Adobe Lightroom, Adobe Flash, Microsoft Powerpoint and Word.

Profession

Graphic Artist. Dunham Graphics LLC, Downers Grove, Illinois. 2014-present

Designing and preparing files for both flexo and screen printing, along with making the actual plates and films for the screen printers. Color correction of RGB photos to be outputted to CMYK.

Graphic Artist/Web Design & QC. GEI Graphics, Bensenville, Illinois. 2012–2014

Designed & branded internal Print & Web materials, including their website. Responsible for quality checking of files for huge print runs, various color accurate proofs and correction of photos.

Photographer. Lifetouch, Schiller Park, Illinois. 2011

Professionally photograph a variety of high school events, for inclusion in yearbooks and other materials.

English Teacher. King's College of English, Chiang Mai, Thailand. 2008–2011

Taught conversational and written English to Thai students of all levels and ages.

Multimedia Designer. Shaker Advertising, Oak Park, Illinois. 2001–2007

Designed and produced websites, CD-ROMs, television commercials, and other interactive materials for a range of national and local clients, from Fortune 500 companies to family-owned businesses.

Graphic Artist. GEI Graphics, Bensenville, Illinois. 1999–2001

Designed packaging materials for various businesses.

Current Freelance

Brand Manager/Web Designer. HealthyFocus.org LLC, Glenview, Illinois. 2015-present

Designed over 230 pages for an Authoritative Website gaining popularity & traffic daily. I've edited videos for it's youtube channel, formatted text, designed & placed optimized graphics, and managed the social media pages.
